## 5 Praises a day

Common sense, as well as a great deal of international research, tells us that we all enjoy being praised and appreciated. But sometimes we forget this.

So a small team of researchers at De Montfort University have developed the 5 Praises a Day initiative, which encourages parents to praise their children (at least) five times a day.

If you have any queries or wish to speak with a member of the team you are very welcome to telephone school on 0115 9302064, the best time is after 3.15pm. You can message us at any time on Class Dojo, alternatively we have a nursery email address, [nursery@cotmanhay-inf.derbyshire.sch.uk](mailto:nursery@cotmanhay-inf.derbyshire.sch.uk).

Could we please ask that you continue to promote good hygiene and regular handwashing with your child and if your child becomes unwell with any illness (head colds, sickness, diarrhoea etc) that you keep them at home until they are better and all symptoms have passed. The nature of how young children play closely together means that any infections and viruses can be easily passed on to others. Please could we also ask that you contact school to inform us if your child will be absent. If your child does become ill whilst in nursery we will contact you and ask that you collect your child, therefore please make sure your contact details are up to date at all times. **Please make sure you continue to wear a face mask when on the school premises and that only one adult brings and collects your child.**
