

Communication, Language and Literacy targets:

Please encourage your child to;
To continue to form all letters correctly including capital letters.

- * To write the sounds they hear in words and write short sentences, with finger spaces, full stops and some question marks so their friend can read their writing.
- * To use their letters and sounds knowledge to segment and blend words.
- * To read and spell tricky words that are written on your child's reading cards and to practise the spellings sent home each week. Spelling tests are once a week and really help your child to spell their words in their independent writing.

- <https://www.youtube.com/watch?v=R0871YrRpgY>

- To learn the NAMES of all letters.
- To talk clearly in full sentences and learn and understand the meanings of the words linked to our topic that are on your weekly spelling sheet. Encourage your child to say them in a sentence.

How can you help your child:

Please encourage your child to;

* **to have good hygiene rules- wash hands for 20 seconds, cough or sneeze into a tissue or into their elbow.**

* Please encourage your child to talk about how they can improve the environment and what they like and dislike about the area they live in.

* Please hear your child read every day, it doesn't have to be their school reading book. You could encourage your child to find tricky words in their bedtime story book or help you read a small word like c-a-t. d-u-ck

* Please encourage your child to practise their spellings every day at home.

* Please encourage your child to ask you questions and explain why things happen.

* **Please encourage your child to get dressed on their own.**

* Please send your child to school with a pair of Wellington boots for Forest school days. (you could leave these in school for the term if this is easier for you.)

General Reminders

*Please remember to **name all of your child's belongings** including their jumpers, cardigans, hats.

*Please be aware that outdoor play is a very important part of the curriculum, and we aim to go outside every day. Please ensure your child is dressed appropriately with sensible shoes and a sun hat. Please also **apply sun cream** when you know the weather will be warmer.

*. Please remember to bring your child's book bag **everyday** and practice their words and phonemes written on their cards.

Some lovely enrichment activities we will be doing this term:

Sporty day

Summer fun day and picnic

Developing robots that can help with recycling and the environment.

Designing and making robots using junk modelling techniques.

Please look on our school website for lots of games and resources section under LEARNING and your child's year band in the 'Children' section.

Snack Contribution

Please remember to pay your child's snack contribution of 50p each week.

This helps towards the cost of your child's daily healthy snack, play dough and malleable materials, baking and cooking activities and the lovely resources we need to ensure the children have access to a wide range of fun and exciting learning opportunities.

We really do value your 50p contribution.
